

CASTLEMAINE FOUNTAIN

The primary features of this very elegant fountain are the 9 individual water outlets.

It would be well suited to smaller type gardens and conservatories being situated in an elevated position to highlight the nine different flows of water

This is indeed a very busy fountain.

Bowl Diameter 730mm

Plumbing Points

4 from the lizards mouths on the main stem

4 from the base of the woman with the urn

1 from the main bowl and

1 from the top of the woman with urn

Finished

Weight 80 kg

Material Bronze
