

CAMP OVENS

Billmans Foundry have created 4 sizes in their Cast Iron Camp Oven range. Our camp ovens are cast using quality cast iron to Australian Standards, we also use a blacksmith to hand forge the steel handles.

A great gift idea is to customize the lid, with names dates etc. Billmans has created many personalised lids for weddings, birthdays making a perfect gift that will last many years and can be handed down through family.

Proudly 100% Australian made and owned, Billmans Foundry continues the tradition of producing lasting products.
